Dear Mr Megahey

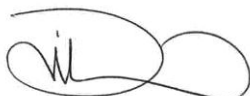

Request for information regarding the combined arrangement associated with the provision of SRE at Pennant Hills High School and Cherrybrook Technology High School

Can you please provide Fairness in Religions in School (FIRIS) with the following information:

1. a list of the approved Special Religious Education (SRE) providers making up the combined arrangement affiliated with the Pennant Hills and Cherrybrook Christian Education Association (PHCCEA) and/or responsible for the provision of SRE instructors at Pennant Hills High School and Cherrybrook Technology High School.
2. a list of any other NSW Government schools associated with the combined arrangement mentioned above in Request 1, for example, any schools which have SRE instructors provided by the combined arrangement delivering SRE.
3. the name/s of the approved providers responsible for authorising the SRE instructors at Pennant Hills High School and Cherrybrook Technology High School and any other SRE instructors provided by the combined arrangement mentioned above (see Request 1) to any other NSW Government schools.
4. the names of the approved providers responsible for the monitoring of the Working With Children Check of the SRE instructors at Pennant Hills High School and Cherrybrook Technology High School and any other SRE instructors provided by the combined arrangement mentioned above (see Request 1) to any other NSW Government schools.
5. the names of the approved providers responsible for authorising the SRE curricula at Pennant Hills High School and Cherrybrook Technology High School and any other SRE curricula used by the combined arrangement mentioned above (see Request 1) in any other NSW Government schools.
6. the Uniform Resource Locator (URL) of the lesson content and/or program outline and curriculum scope and sequence documents of the curricula authorised for use by the approved providers identified in your response to Request 5.

FIRIS looks forward to your response.

Yours sincerely

Dr Darrin Morgan
